CONSTRUCTION PLAN

Bella Center Copenhagen (Ground level)

CONSTRUCTION REGULATIONS

Booth Construction

For all booths marked with * a construction with 3 open sides is required. Walls can be built along those sides which are marked by red lines on the construction plan. Please note that walls can only be built on these respective sides. No other walls are allowed and all booth plans must be approved by the organisers by email at espghan-sponsoring@eurokongress.de prior to the event (exhibit plan submission deadline 13 April 2022).

Double-Decker Stands (2 level stands)

Double-decker stands are not allowed at the 54th Annual Meeting.

Height

See Dimensions page for maximum booth construction height.

Red line = wall possible

as of 18 March 2022; floor plan may be subject to change
