ESPGHAN 52nd ANNUAL MEETING

of the European Society for Paediatric Gastroenterology, Hepatology and Nutrition

5–8 June 2019 | www.espgghancongress.org | [@ESPGHANSociety](https://twitter.com/ESPGHANSociety)

Saturday, 08 June 2019

Parallel Symposium: Organoids: Cutting Edge Translational Research Tools in Paediatric Gastroenterology		Andreas Jenke (Germany); Holm Uhlig (United Kingdom)
08:30	Intestinal epithelial organoids in GI health and disease	Matthias Zilbauer (United Kingdom)
08:55	Genetic engineering of intestinal organoids	Bon-Kyoung Koo (Austria)
09:20	Abstract: Lin-28/Occludin axis: an aberrant signal leading to impaired intestinal barrier function under total parenteral nutrition	Junkai Yan (China)
09:30	Drug development and personalised medicine in cystic fibrosis using intestinal organoids	Jeffrey Beekman (The Netherlands)
09:55	Abstract: Identification of early life mutational signatures in normal human intestinal epithelial stem cells	Philip Robinson (United Kingdom)
10:05	Liver organoids as models to study human development and disease	Alexander Ross (United Kingdom)

ESPGHAN 52nd ANNUAL MEETING

of the European Society for Paediatric Gastroenterology, Hepatology and Nutrition

5–8 June 2019 | www.espgghancongress.org | [@ESPGHANSociety](https://twitter.com/ESPGHANSociety)

Parallel Symposium: Probiotics for infants		Flavia Indrio (Italy); Iva Hojsak (Croatia)
08:30	The normal development of the infant gut microbiota	Christopher Stewart (United Kingdom)
08:50	Abstract: Daily administration of Lactobacillus plantarum improves mouse juvenile growth kinetics by sustaining somatotrophic axis activity upon undernutrition	Pierre Poinot (France)
09:00	Probiotics in infant formula – what is the evidence?	Hania Szajewska (Poland)
09:20	Abstract: Bifidobacterium with early feeding with colostrums and human milk benefits weight gain and metabolic responses associated with microbiota establishment	Yuichiro Yamashiro (Japan)
09:30	Safety and quality control of probiotics	Sanja Kolaček (Croatia)
09:50	Abstract: Combination of prebiotic oligosaccharides and fermented infant formula (with Bifidobacterium breve C50 and Streptococcus thermophilus O65) is safe and modulates the gut microbiota towards a microbiota closer to that of breastfed infants	Laurent Beghin (France)
10:00	Probiotics for prevention of NEC	Hans van Goudoever (The Netherlands)

ESPGHAN 52nd ANNUAL MEETING
of the European Society for Paediatric Gastroenterology, Hepatology and Nutrition

5–8 June 2019 | www.espgghancongress.org | [@ESPGHANSociety](https://twitter.com/ESPGHANSociety)

Parallel Symposium: Novelities in Hepatology		Dominique Debray (France); Aglaia Zellos (Greece)
08:30	Surgical developments in liver transplantation: what has changed and what is expected to change shortly	Dieter Clemens Broering (Saudi Arabia)
09:03	Abstract: USP53 mutation manifest as low-GGT intrahepatic cholestasis	Ye Yang (China)
09:13	Liver directed gene therapy: current results	Amit C. Nathwani (United Kingdom)
09:46	Abstract: Mayo PSC risk score: a prognostication tool for Biliary Atresia outcomes in adulthood	Vandana Jain (United Kingdom)
09:56	The liver and enzyme replacement therapy: to give or not to give?	Roshni Vara (United Kingdom)

Glasgow · Scotland

ESPGHAN 52nd ANNUAL MEETING
of the European Society for Paediatric Gastroenterology, Hepatology and Nutrition

5–8 June 2019 | www.espgghancongress.org | [@ESPGHANSociety](https://twitter.com/ESPGHANSociety)

Parallel Symposium: Coeliac Disease: Diagnosis and Screening for everybody?		Luisa Mearin (The Netherlands); Daniel Agardh (Sweden)
08:30	Population screening: Pros and Cons	Carlo Catassi (Italy), Kalle Kurppa (Finland)
09:20	The Ethics of Screening	Martine de Vries (The Netherlands)
09:45	Abstract: Value of anti-tTG IgA in screening of coeliac disease in asymptomatic children with high-risk	Ozlem Kalaycik Sengul (Turkey)
09:55	Abstract: How long children with a first-degree coeliac relative should be followed by antibody screening?	Ilma R. Korponay-Szabó (Hungary)
10:05	The 2019 ESPGHAN guidelines for coeliac disease: consolidation of the no-biopsy approach	Steffen Husby (Denmark)

Glasgow · Scotland

ESPGHAN **52nd ANNUAL MEETING**
 of the European Society for Paediatric Gastroenterology, Hepatology and Nutrition

5–8 June 2019 | www.espgghancongress.org | [@ESPGHANSociety](https://twitter.com/ESPGHANSociety)

Keynote Lecture Gastroenterology		Nikhil Thapar (United Kingdom)
11:40	The brain in the gut: master conductor of the orchestra	Vassilis Pachnis (United Kingdom)

Glasgow · Scotland

ESPGHAN **52nd ANNUAL MEETING**
 of the European Society for Paediatric Gastroenterology, Hepatology and Nutrition

5–8 June 2019 | www.espgghancongress.org | [@ESPGHANSociety](https://twitter.com/ESPGHANSociety)

Plenary Session: Gastroenterology 2		
12:15	SOMAScan as a discovery platform to identify predictive serum proteomic biomarkers of infliximab response in pediatric patients with Crohn's disease	Tina Morhardt (United States)
12:25	Panallergens in natural history of EoE: are they predictive of diet failure?	Monica Malamisura (Italy)
12:35	Standard dosing of Infliximab dosing not sufficient in young paediatric IBD patients – a multicenter study	Maria Myrthe Elisabeth Jongsma (The Netherlands)
12:45	SERPINB12 as a possible marker of steroid dependency in children with Eosinophilic Esophagitis: A pilot study	Salvatore Oliva (Italy)
12:55	Correlation between antroduodenal manometry and histopathology in paediatric intestinal pseudo-obstruction	Atchariya Chanpong (United Kingdom)
13:05	Constitutive alterations of vesicular trafficking predispose to innate immune response to gliadin in celiac disease	Maria Vittoria Barone (Italy)
13:15	Characterization of Eosinophilic Esophagitis in a multicenter patient population from the European Pediatric Eosinophilic Esophagitis Registry (pEER) of ESPGHAN	Salvatore Oliva (Italy)

Glasgow · Scotland

ESPGHAN 52nd ANNUAL MEETING

of the European Society for Paediatric Gastroenterology, Hepatology and Nutrition

5–8 June 2019 | www.espgghancongress.org | [@ESPGHANSociety](https://twitter.com/ESPGHANSociety)

Clinical Track in Nutrition: Feeding disorders		Jessie Hulst (Canada); Iva Hojsak (Croatia)
12:10	Feeding disorders: diagnosis, classification – a practical approach	Gillian Harris (United Kingdom)
12:40	Feeding disorders: treatment (and the utility of a feeding team)	Tena Niseteo (Croatia)
13:05	Abstract: ARFID is a common diagnosis at a paediatric eating observation clinic	Lotta Söderberg / Emma Gotthardsson (Sweden)
13:15	Abstract: Improving swallowing function due to electrical stimulation in group of children – preliminary results from an innovative method of treatment	Ewa Winnicka (Poland)

ESPGHAN 52nd ANNUAL MEETING

of the European Society for Paediatric Gastroenterology, Hepatology and Nutrition

5–8 June 2019 | www.espgghancongress.org | [@ESPGHANSociety](https://twitter.com/ESPGHANSociety)

Parallel Session: Hepatology 3		
12:25	Characterisation of different sources of stromal cells as support for primary human hepatocytes to improve the outcome of hepatocyte transplantation	Teresa Brunetti (United Kingdom)
12:35	How to infuse heterologous human adult liver-derived progenitor cells safely?	Louise Coppin (Belgium)
12:45	Hepatopulmonary syndrome in children: a two-decades experience at a single liver transplantation referral centre	Emanuele Nicastro (Italy)
12:55	Biallelic complete loss-of-function ZFYVE19 mutations: congenital hepatic fibrosis, sclerosing cholangiopathy, and high-GGT cholestasis	Chen-Zhi Hao (China)
13:05	Magnetic resonance elastography in evaluation of hepatic fibrosis in children with chronic liver disease	Duygu Demirtas Guner (Turkey)
13:15	Gallstone disease and heart rhythm disorders in children	Kseniya Yurchyk (Belarus)

ESPGHAN 52nd ANNUAL MEETING
 of the European Society for Paediatric Gastroenterology, Hepatology and Nutrition

5–8 June 2019 | www.espghancongress.org | [@ESPGHANSociety](https://twitter.com/ESPGHANSociety)

Joint Symposium: Nutrition and Gastroenterology		Konstantinos Gerasimidis (United Kingdom); Erasmo Miele (Italy)
12:10	Food additives and food industrialization in the aetiology and progression of IBD	Arie Levine (Israel)
12:30	The epidemiology of the role of diet in the aetiology of IBD	Andrew Hart (United Kingdom)
12:50	Abstract: Rapid reversion to baseline microbiome during food reintroduction after successful course of exclusive enteral nutrition (EEN) in paediatric Crohn's disease (CD)	Michael Logan (United Kingdom)
13:00	Abstract: Dietary intake and adherence to mediterranean diet in a cohort of pediatric patients with Inflammatory Bowel Diseases (IBD)	Caterina Strisciuglio (Italy)
13:10	Exclusion diets in the management of IBD: How good is the evidence?	Vaios Svolos (United Kingdom)
